SUNDAY BRUNCH 10:00am-3:00pm

Welcome to our little house. This house was built in the late 1800's and was a home to many. During the early 1900's, it was used as a recovery home for those who needed attention after surgery at the hospital. Nurses stayed here with the patients to give them the care they required. During the passing years this home was used as real estate offices, law offices and so many other businesses that were part of the life of our small community. In 2006, Tim and I moved our restaurant here from the square. We hope to continue filling this once loved home with the warmth and tradition of family. Gainesville is our home town and we are proud to be a part of the local businesses that bring a sense of unity to it. We love to see our dining room filled with friends and family roaming from table to table to say hello. It has been a magical trip thus far in this home and we hope to make your visit as welcoming with our fresh bread baked daily, dressings made in-house, desserts made in-house, and when available organic produce. Make yourself at home and thank you for dropping in.

Sincerely,

Tim & Tina Roberts
